DEDICATION

He is a counselor, teacher, and friend to everyone at Trinity High School. He is a dedicated family and church man. A man admired by students, faculty, and staff at THS. He is a real dedicated teacher. The Seniors of Trinity take pride in dedicating the 1980 TRINHIAN to Mr. Ray Carter Sink.

The Music Department of Trinity has been blessed the past four years with the presence of Ronnie Lambert. Ronnie has been a member of the Gamboliers for four years. His musical talent at the piano has been heard in many of the major musical productions. He is currently serving as President of the Gamboliers. He is also a vital part of the Blue Crew, the French Club, and the BOSS Club.

A friendly smile, the Blue Crew and sports best describe Valerie Wall. She has been a member of the band for four years. This year she has served as a Drum Major for the Blue Crew. Valerie has been active in basketball, softball, and volleyball. A member of the French Club, Monogram Club, and Science Club. She was also Jr. Marshall, Beta member and a Morehead nominee.

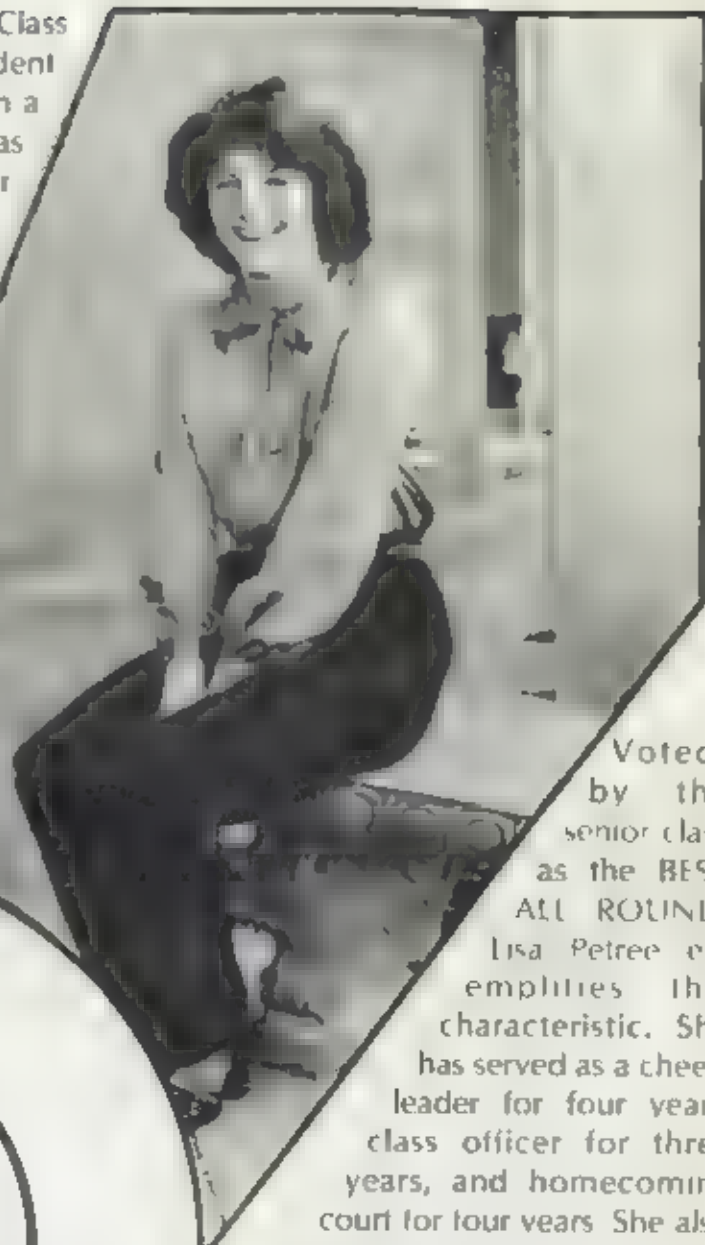

When thinking of an all-around nice person, one automatically thinks of Mark Walker. He has played an active essential role in THS sports during the past four years. Mark has participated in basketball, football, and track. Mark has also been active in Student Council, Monogram Club, and FCA. He has been a member of the Beta Club for three years.

TWELVE

An active member of the Blue Crew for four years best describes Greg Simmons. Many hard hours of practice have enabled Greg to be one of the best high school musicians in North Carolina. He was nominated by McDonald's for the McDonald's High School All America Band. His music accomplishments also include membership on the All State Band. Greg is an active member of the Beta and French Club.

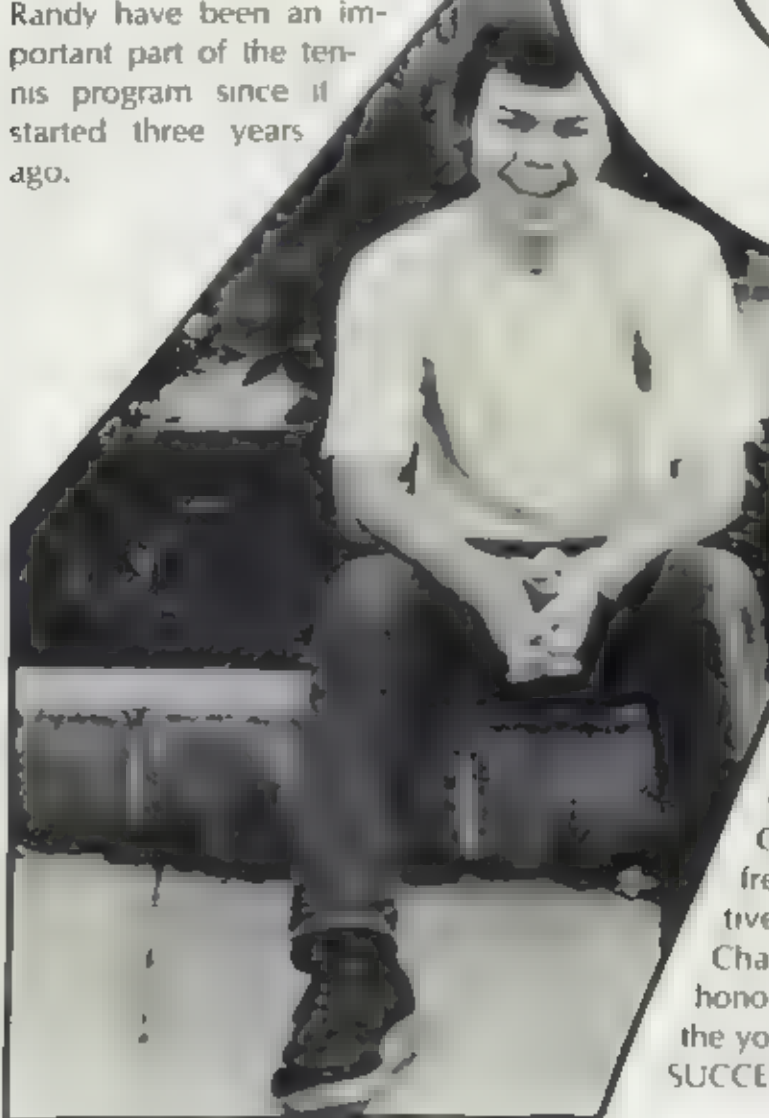

Serving as President of the Senior Class and a member of the THS Student Council, Steve Farlow has been in a leadership role this year. He has been a dependable bus driver for two years. The senior class selected him as the male member of the class with **MOST SCHOOL SPIRIT**. Steve has also held membership in **BOSS Club** and **Key Club**.

Voted by the senior class as the **BEST ALL ROUND**, Lisa Petree exemplifies this characteristic. She has served as a cheerleader for four years, class officer for three years, and homecoming court for four years. She also has time to be active in the **BOSS Club**, **Keyettes**, **Monogram Club**, **FCA**, and **Student Council**.

The Hill Twins are synonymous with NFL at Trinity. Randy and Sammy Hill have been active in NFL for the past three years. Randy is currently serving as its' President. Both of the Hills served as Junior Marshals. Sammy attended the Governor's School last summer while Randy took part in the National NFL. Sammy and Randy have been an important part of the tennis program since it started three years ago.

They are also active in the **Beta Club**, **French Club**, and **Science Club**. Sammy is presently serving as **Science Club Secretary**. As a freshman, they were active in the **Trinity FBLA Chapter**. The senior class honored Sammy by voting him the young man **MOST LIKELY TO SUCCEED**.

A make-up day for snow turned out to be a beautification day for our campus. Under the direction of the horticulture class, the clubs at THS worked hard to landscape our grounds. Many club members lifted rakes and shovels for the first time in years to help improve our schoolgrounds. We can all take pride in the beautification project and say THS has the most beautiful campus of any school.

The 79-80 version of the Trinity Beta Club had a big start tapping in 38 new members—4 seniors, 11 juniors and 23 sophomores. The speaker for the event was National Beta Club Secretary George Lockamy and Mrs. Lockamy.

The club participated in the school "clan-up project. They also got the football field in tip-top shape after home games by gathering on Saturday mornings to pick up paper and sweep the bleachers. The Betas also hoped to boost Bulldog spirit by building a float for Homecoming.

For Christmas the group took some kids from Mills Home out for a Saturday lunch. The club also planned the Annual Rock-A-Thon for March of Dimes for the spring.

Trinity was very well represented by our Beta members at the district and state conventions.

Mrs. Lockamy, National Beta Sponsor, delivers the address during the tapping ceremony of new members.

Our school bus drivers do a terrific job of transporting our students to and from school safely. Their job is one of a tremendous responsibility. Since they handle their job so well the schools are funding several dinners to be held throughout the year for them.

Some of the drivers' activities and projects include keeping the bus parking lot clean and trying to improve on bus safety.

This year at homecoming the drivers received honorable mention in the float contest.

Below: The bus drivers show their spirit by creating a display for homecoming.

The leg appears to be hanging on without any problem

Sheila Stewart and Beth Henkel were two students that brought many honors to the drama class. Sheila attended the School for Gifted Students. Beth was selected as a nominee for Governor's School. The club was under the direction of Mr. Joe Gamble.

The purposes of the Drama Club are to learn about drama as a form of art and to learn about the actual acting and producing of plays which will, hopefully, result in individual growth.

The Drama Club's projects and activities included participating in the Christmas celebration entitled "Why the Chimes Rang". Each Wednesday the Drama Class is given dance lesson by Diane Phillips. In January, the class presented a Night of Carol Burnett skits and a dance review.

The Juniorettes are sponsored by the Archdale Trinity Woman's Club. The club consists of girls who are willing to give their time, patience, and helpfulness to the school and community.

The year started with a cookout and initiation by all new members. New members dressed as bulldogs all day during school. After school, in their bulldog outfits, they crept through local grocery stores. Their money project included the sale of Bulldog cups and pens. The Juniorettes made first-aid boxes for all the classrooms at the elementary schools. During the year an International Affairs Dinner was held with a dish representing each country. The Woman's Club gave the club a party.

The Woman's Club members work with the club. Ms. Lynda Huffines and Ms. Joyce Varner work to help make the Trinity Club the best in the state. The Club won the Francis Cooke Neal Award for the Most Outstanding Juniorette Club of the State.

The Keyettes is a service club which tries to help, commutate, and do things for people who help school in various projects.

This year the Keyettes took in 12 new members. Each member received a key congratulating them and had to dress up as something "crazy" one day at school for their initiation.

Their service projects consisted of selling football programs at all home football games. At Thanksgiving, they gave fruit baskets that were prepared for the nursing home. During Christmas, stockings were filled for special education classes at the Braxton Craven. Favors were also given to special education classes to Valentine's.

For their honors they received in 1978-79 and 1979-80 second place in Homecoming floats.

In 1979-80, Mary Jane Leach received "Keyette of the Year." She received a plaque in honor of this.

NFL IS STILL #1

NFL students holding few of their many awards

The NFL club prepares students in the art of oral communication. It leads to a better understanding of spelling concisely and persuasively. Many of our leaders come from NFL courses.

During the summer of '79 Lon Bryant and Randy Hill received the honor of going to the National Debate Tournament for high schools in Cinn. Later on in the year the club hosted the "Almond Forum Debate Tournament" and traveled to 13 various states in order to compete.

WILLIAMS LEADS STUDENT COUNCIL

The 1979-80 THS Student Council has worked hard to produce many new and worthwhile projects for our student body. The Council started off the year with Freshman Orientation and, of course, the distribution of "handbooks."

One of the main goals of the Council has been to unite the students at THS. In September assemblies were held to show the student body a film called "Cipher in The Snow." The film was along the lines of "love your brother."

Homecoming '79 was the BEST! It was on the theme "THS—The Best In The West." Activities for the week consisted of Crazy—Anything Goes Day, Stuffed Animal Day, Toga Day, Hush Button Day, Blue and White/Lick' em Day, and Western Day.

At Christmas the THS Council sponsored Operation Santa Project. The student body brought gifts for needy children and later on during the week, students brought canned foods to give to needy family. The Christmas Assembly was a talent show.

During January, Spirit Week was held for the basketball and wrestling teams.

The latter part of the year the annual "Sweetheart Dance." Everyone will remember the Crazy Olympics which was held in the spring.

The science club is a group of students who are sincerely interested in the field of science. The main purpose is to work together to better themselves, the school, and the community. One project was to aid in replenishing the supplies and equipment lost in the fire last January. Other projects include favors and treats for the faculty during National Education Week, drawing for a turkey, and the school ground project.

VICA is the Vocational Industrial Clubs of America whose members are enrolled in trade, technical, or industrial education courses. The motto of VICA is "Preparing for Leadership in the World of Work!" VICA provides the student with opportunities for involvement to develop leadership potential through community, civic, professional and social activities. This year Trinity VICA is comprised of two groups, the I.C.T. VICA and a new Drafting VICA.

Some of the many activities and projects that VICA has done includes these; a leadership workshop at Bartlett-Yancy, Homecoming float, their installation of new members and officers, leadership contests in Alamance County, co-sponsor during job opportunities day, National VICA week and co-sponsor of the school bloodmobile.

For their service projects they took fruit baskets to the Wesleyan Arms Nursing Home during Thanksgiving. At Christmas they contributed and helped a needy family.

A few awards received are getting 3rd place as outstanding club and District 5 and 2nd place as the outstanding club in the state conference. Joe Benson, President of 1978 Trinity VICA, was named outstanding VICA member in NC.

HARD WORK PRODUCES THE 1980 YEARBOOK

Hours of hard work after school and on weekends have enabled the 1980 TRINHIAN to be produced on time. The snow days were not holidays for some of the staff. There was never a day of rest until the final deadline had been met.

The talent to capture a year full of memories does not come easily, but through hard work and many long hours the TRINHIAN Staff tried their best to make it possible. The TRINHIAN contains expressions caught by the eye that never lies, suggesting special moments. The Advisors and Staff worked diligently to make this year's annual one, in which the staff hopes, the students and faculty will always remember.

Harold Smith
Head Coach

This year's varsity football team fought through a long and tough season. Even though they were 0-10, they lost one by six and two games by only one point. The team was young and inexperienced with only a few starters returning. The team lost 21 seniors from last year's squad. Many sophomores and juniors started this year. The experience should prove of value in the 1980 Season.

1979 GOLF TEAM

The 1978-79 Golf Team was a very young team considering the fact that there were only two seniors on the squad. Playing in seven regular season matches the team placed 1st once, 2nd three times, 3rd two times, and 6th once. Two juniors, Greg Brown and Benny Yeargen, provided team leadership with Brown making the All-Conference Team and Yeargen finishing in the top ten in the conference. David Spencer and Benny Auman also contributed greatly to the team's success. Brown and Yeargen advanced to the sectionals. Brown won first place with a 73. After winning the sectionals, Brown advanced to the State Finals in Chapel Hill. Brown was voted Most Valuable and David Spencer was voted Most Improved.

The 1979-80 Girls' Team was an exciting one to watch. The girls played hard during the season. They lacked the height of the other teams in the conference. Sona Chambers and Valerie Wall were instrumental in helping the Bulldogs win. Hustling was "the name of the game" for the girls of 1979-80. They were coached by Mr. Allmon.

The Bulldogs of 1979-80 were hurt by lack of height. Several injuries plagued the team in the early part of the season. The 'Dogs played many exciting games during the season, losing several by one or two points. The nine young men who completed the season did an outstanding job of hustling on the hardwood for the Bulldogs. The team was coached by Mr. Don Davis.

J.V. WRESTLING TEAM

UNDEFEATED SEASON

The JV Wrestling Team had its first undefeated year with an outstanding record of 11-0 for the season. The team can be proud of the goal since this was a first for a JV team. Hard practice and good coaching were the keys to the great season. The team had some very exciting matches during the year. Most of the matches were won by large margins. Thomasville was the last match of the year and turned out to be the closest. Many times during the season the JV pushed the varsity for starting positions. Several JV members were able to aid the varsity when someone was injured.

The leaders of the team were Lee Carrell, Robbie Saunders, and senior Terry Owens. Junior Terry Gray had a fine season and pulled off some very impressive wins for the varsity, as did Dwayne Vestal. Senior Richard Goins also had a fine season with two wins in the Trinity Tournament and Morehead Tournament. The Trinity Wrestling Program looks secure for the next two years with the likes of the JV Team of 1979-80.

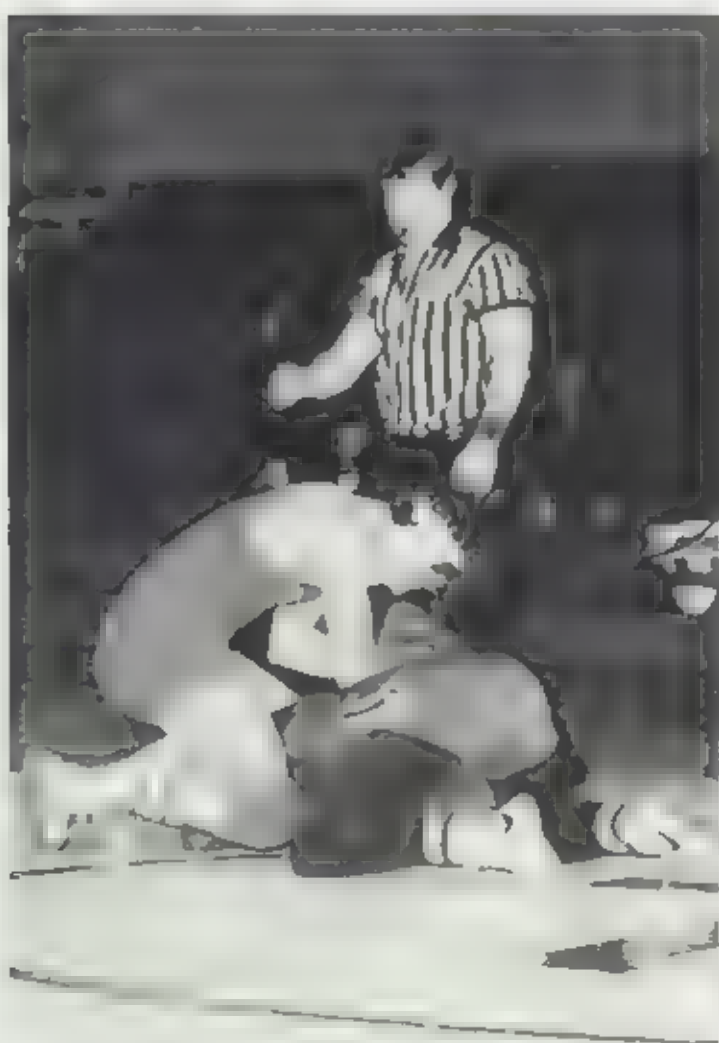

Coach Winnett discusses the situation with Varsity Coach Smith as Captain Taylor adds his viewpoint.

JV Team: Jeff Eubank, Tony Hill, Charles English, Paul Moore, Bobby Barnes, Chuck Talt, James Essex, Dwayne Ray, Rusty Crenshaw, Robbie Saunders, Mike Foster, Kelly Stroud, Richard Goins, Terry Owens, Gary McDaniels, Scott Motley, David Stone, Kevin Spencer, Larry Lucas, Dwayne Vestal, Keith Ray, Lee Carrell, Terry Gray.

The Trinity Wrestlers captured their fifth consecutive conference championship with impressive wins and large point spreads over all of the conference foes. The team's only defeat came early in the season at the hands of the first ranked Raiders of Andrews, who were a strong 4-A Competitor.

The team turned in an impressive tournament record. The Champs finished second in the Trinity Invitational and won the Ragsdale Tournament.

Several wrestlers came away with good records for the regular season. Jim and John Stepp were undefeated in regular season with 20-0 records. Seniors DeVaughan Taylor and Bill Cranford had 19-3 and 7-4 records respectfully. Juniors Todd Harrison, Bobby Hill, Billy Corn, and Keith Aikens had winning records to finish out the season. The sophomores were the winning ingredients from the middle school. Sophomores having a fine season were Mark Talbert, David Moon, and Scott Brinkley. Brian Williamson started off the year with an injury, but finished very strong.

Seniors Taylor and Stepp

The highlight of the year came when the wrestlers defeated Ragsdale, who were previous NC State Champs and had a 42 match winning streak. The team can only look up. The ultimate goal is the State Championship, which is so far away, but yet so near.

OUR DEPENDABLE SUBSTITUTE TEACHERS

Above: Carmelle LaMar

Above: Ben Hurry

It is not unusual to see one or more of these people gracing our campus during any school day

If a teacher must be absent from his/her classes, more than likely one of these friends, or Mrs. Ruth Miller (not pictured) will fill in

We appreciate the fine job they are doing. We are especially grateful for their faithfulness to our school

It would be impossible to run the school without them!

MEMORIES

As we seniors look back on the past twelve years of school, they seem so short! The years seem to have disappeared in a cloud of smoke.

Of all the years we will remember our senior year as the most vivid in our minds. The twelfth year will seem so short, but packed with memories. Hopefully this book, the TRINHIAN, means as much to every student, especially to every senior, as it means to me. Maybe this yearbook has preserved enough memories to recapture the feelings of our senior year.

Many long hard hours were spent on our yearbook by the staff. Special thanks to Sona Chambers, Ed Lohr, Barry Lambeth, Herb Eaton, Bob Phillips, James Benson, Roy B. Allen, other students, and faculty members who have had a hand in producing the 1980 TRINHIAN. A special "Thank you" goes to the many businesses that bought ads to make everything possible.
